

**CASE MANAGER I
CASE MANAGER II
CASE MANAGER III**

Definition

Housing Matters is looking for individuals eager to make a difference and willing to enthusiastically commit to join in our vision that homelessness in Santa Cruz County should be rare, brief and non-recurring. Under direction, Case Managers I, II, and III will carry a service caseload providing housing stabilization social services; develop service plans which may include the need for specialized social services.

Distinguishing Characteristics

Factors used in allocating positions to classes in this series include: complexity, sensitivity and difficulty of casework problems; duration and level of casework intervention; authority for decision making; likelihood and consequence of error; the emergency or crisis nature of services; degree of supervision received; and lead/consultative responsibilities for other Case Managers.

Case Manager I is the entry level class and is expected to develop knowledge of the policies and administrative procedures of HOUSING MATTERS supportive services programs, to learn the principles of human behavior and development as related to homelessness and housing, to develop interviewing, counseling, assessment, caseload organization and management skills and to use community resources. Incumbents are expected to gain the knowledge and abilities to promote to Case Manager II.

Case Manager II is the journey level class and is expected to work with a minimum amount of supervision. Incumbents are required to use assessment, interviewing and counseling skills to perform moderate to complex casework services. Some positions may act as lead case manager. Incumbents assigned to these services work are expected to gain through training and experience the knowledge and abilities to promote to Case Manager III.

Case Manager III is the advanced level class. Incumbents spend a substantial part of their time on the most difficult, sensitive and specialized services where major case decisions are made independently and where consequence of error may be significant. Advanced casework skills, a high degree of program knowledge, judgment and creativity are required. Incumbents may, as an additional duty, serve as an alternate supervisor or in a lead capacity.
